

## COMPLETION GUIDE | A STEP-BY-STEP CHECKLIST TO REACH YOUR GOALS

**Are you taking this course along with other courses?** If so, balance your pacing to accommodate your term length. Otherwise, you may incur additional tuition charges. **If you are taking this course by itself**, the typical completion time is about 50 days. But every learner's situation is different. Choose the pacing option that best fits your needs.

# Applied Probability and Statistics: Complete in 20 Days

**This guide will help you stay on track, focused, and committed to your goals.**

✓Choose your pace.

✓Follow the steps.

✓Add your goal dates.
